

PRESIDENT COMMENDS THE SHOW JUDGE

President Marion Simonds has praised Show Judge, Neil Adamson, AWS, Judge for the Eighth International Miniature Art Show.

“He did an excellent job,” says Mrs. Simonds. “This was the largest show in our eight year history. Neil took on the staggering task of studying more than 800 delicate, tiny pieces and awarding prizes in 42 categories. What more can I say after seeing him labor for a day and a half to select our winners than ‘Thank you Neil’ and ‘Well done’.”
